made. Three experts advised Mr. Kendrick to close his brokerage house now because liabilities could be paid dollar for dollar as soon as certain securities are liquidated.

Though no statement of assets and liabilities has been given out, the information of local banking circles is that the firm's liabilities will come to a total of about \$3,500,000. Bankers any that to have averted the failure would have necessitated taking over the firm's securities by bankers, and the amounts involved were too large for this course to be followed.

Bankers who went over the situation vesterday, before news of the impending failure had become common property, estimated that the firm's assets amounts.

### Carrier Assails U. S. Prosecutor

Berlin, March 3. — (By A. P.)—
Minutes, which have just been published here of a recent secret convention of German and Swiss brewers, disclose that the brewers admitted they feared prohibition would sweep Europe, It was decided at the convention immediately to send a representative of the brewers, Dr. Neumann, to the United States to study the effects of prohibition of the use of alcohol. The it campaign in the press would attempt to prove the tonic advantages of alcohol, especially with regard to beer.

Dr. Kucry, president of the Swiss Anti-Prohibition Association, asserted the petition was "a wild attack without justification." He said attack without justification. He had not intimidated witnesses in the had not
